

10 anillos · 409 celdas · del centro al borde · 70 callejones sin salida

A circular maze with a central black dot and a pink triangle at the entrance. The maze is composed of concentric rings of paths and walls, with a complex, non-symmetrical layout. The entrance is marked by a small pink triangle at the top right. The center is a solid black dot.

Laberinto 10: circular, 10 anillos (solución)

10 anillos · 409 celdas · del centro al borde · 70 callejones sin salida
